■ New collection  
**2023**

A young brand is based on a long tradition of producing and selling seating solutions to offices, hotels, restaurant, bar, nightclub, lounge, café, patio, country club, college dormitory, assisted living facility or other business or institutional use where quality, durability and pricing are paramount.

Incorporated in the year 2004 by a first generation businessman, to cater a conventional seating market made a success inroad into the upcoming trends like a chain of fast foods, fine dining hotels, malls, public seating's and other segments of hospitality industry. With its state of the art technology office cum work unit and service in Bangalore.

Our core expertise lies in manufacturing and marketing an extremely innovative and cost effective chair in all segments, with a motto of not compromising on quality, and bonding with customers by understanding their needs and trying to fulfil their requirements to the best.

Our ever changing website for new styles and time proven classic designs will aid our clients in getting their updates or can contact us with their enquiry and we will endeavour to source the products that they desire for.
